

项目位置示意图

- 
- This aerial map illustrates the project location, showing a mix of urban development, green spaces, and forested areas. A blue line outlines the '用地范围' (Land Use Area), which follows a path through the landscape. Within this area, red lines and solid red blocks indicate '用林范围' (Forest Use Area) and '采伐范围' (Logging Area) respectively. The map includes a legend in the bottom-left corner with three entries: a blue line for '用地范围', a red line for '用林范围', and a red block for '采伐范围'. The surrounding environment includes residential buildings, roads, and large green forested regions.
