

月亮路站最大
外轮廓

The image is an aerial photograph of a construction site. A large area is outlined in red, representing 'Block 1'. Within this red area, a smaller section is outlined in yellow, representing 'Block 2'. A blue dashed line follows the perimeter of a specific structure, labeled as the 'Maximum external outline of the Moonlight Station'. A yellow dashed line indicates a 'Road' at the bottom right. The background shows various construction materials, dirt, and some existing buildings.
